

VAST™ ENTERPRISES LIMITED WARRANTY

Congratulations on your purchase of the VAST Composite Paver System! As a VAST Composite Paver System owner you are protected by a **10-YEAR limited warranty** which covers any defects in product material or workmanship. In addition, residential applications benefit from a **LIFETIME limited warranty** against cracking.

The warranty is limited to replacement of the defective product. Labor to replace defective product is not covered.

This limited warranty excludes any failures that are not caused by a defect in material or workmanship. This limited warranty shall not apply towards VAST's products that have been structurally altered, modified (other than trimming required for installation), neglected, improperly maintained, damaged during transit, or used for purposes other than for their intended use. **(NOTE: THE VAST COMPOSITE PAVER SYSTEM IS NOT INTENDED FOR USE NEAR, OR UNDER, FIRE PITS. A MINIMUM OF 4 FEET MUST BE MAINTAINED BETWEEN AN OPEN FIRE AND THE PAVER SYSTEM).** Mild color fading can be expected with the use of any composite landscaping material. Mild fading (similar to that experienced in related products such as vinyl siding) is normal and not considered a warrantable item.

This limited warranty begins on the date of purchase of the product and coverage requires registration with VAST. This warranty may be transferred one (1) time, within a one (1) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the VAST products were originally installed.

REGISTRATION

The limited warranty applies only to product purchased from VAST Certified Resellers, VAST Certified Installers, or directly from VAST Enterprises, LLC (1828 Marshall St. NE – Suite 15A, Minneapolis, MN 55418). A Warranty Registration Form must be completed by purchaser within ten days and sent to VAST. No verification of registration will be sent to the purchaser. If you have not signed the original registration and received the customer copy (from your VAST Certified Reseller or Installer), please contact VAST Enterprises, LLC (612.234.8958) immediately. No warranty coverage will be allowed unless your product is registered with VAST Enterprises, LLC.

LIMITATIONS OF WARRANTIES AND REMEDIES

The exclusive remedy for breach of this warranty shall be limited to only the replacement of any defective materials, components or products at the sole discretion of VAST. The remedies set forth in this warranty are the only remedies available to any person for breach of this warranty. VAST Enterprises, LLC shall have no liability to any person for incidental, consequential or special damages of any description, whether arising out of express or implied warranty or any other contract, negligence, or other tort or otherwise. Some states do not permit the exclusion or limitation of incidental or consequential damages or implied warranties, so the above limitations or exclusions may not apply to you if inconsistent with controlling state law.

VAST Enterprises, LLC disclaims all other express and implied warranties.

HOW TO OBTAIN WARRANTY SERVICE

If your product requires warranty service, you must contact your VAST Certified Reseller or Installer to schedule a review of the installed product. When requesting warranty service you must present your copy of the Warranty Registration Form to the dealer. VAST suggests that you use your original selling dealer; however, you may use any VAST Certified Reseller or VAST Certified Installer to perform warranty service.

Please work with your dealer to resolve any warranty issues. Should your dealer require any additional assistance they will contact VAST.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

If any of the above terms are void because of state or federal law, all other warranty terms will remain in effect.
